LOCKPORT - A public meeting on plans for an investigation of nuclear contamination at the former Simonds Saw & Steel Co. plant has been rescheduled for Feb. 6.

The U.S. Army Corps of Engineers will hold two meetings that day, from 1 to 3 and 7 to 9 p.m. in the ballroom of the Best Western-Lockport Inn, 515 S. Transit Road.

The sessions were originally scheduled for Dec. 12 but were called off because of a snowstorm.
