Guterl Specialty Steel Corporation (Simonds Saw & Steel Company) Information Sessions
Tuesday, February 6, 2001
1 p.m. to 3 p.m. or 7 p.m. to 9 p.m.
Best Western Lockport Inn
Ballroom

515 South Transit Road, Lockport, New York
You are invited to attend an Information Session regarding the former Guterl Specialty Steel Corporation (Simonds Saw and Steel Company) located west of Ohio Street and south of Crosby Street in Lockport, New York. The Buffalo District is investigating this site for possible inclusion in the Formerly Utilized Sites Remedial action program (FUSRAP).

FUSRAP is an environmental program created in 1974 to identify, investigate and take appropriate cleanup action at sites with radioactive contamination from activities that took place for the early atomic weapons program. The U.S. Army Corps of Engineers, Buffalo District, is reviewing reports available regarding contamination at the site to determine the need for further investigation and to ensure protection of human health, welfare, and the environment.
