

Former Lake Ontario Ordnance Works Site News from the Corps

Sent: Thu 1/13/2013 3:09 PM

Hello from the U.S. Army Corps of Engineers Buffalo District:

The work plan to properly decommission a portion of the outdated and unserviceable investigative wells on the Former Lake Ontario Ordnance Works (LOOW) Site is now available.

This work will be performed under the Defense Environmental Restoration Program for Formerly Used Defense Sites and in accordance with New York State Department of Environmental Conservation guidance.

The work plan is now available in the reports section at:
