**Subject:** Re: FW: LOOW

I have received the EPA Id. information, Debbie, and will wait until I hear either from your or the Department's Division of Solid & Hazardous Materials for requested information for further development of the permit equivalent.

Thanks,  
Bill

Hi Bill,

Below is the EPA ID # for the DERP-FUDS site.

Thanks again for the great news! Hopefully we can meet with CWM this week to get their authorization letter and to determine what are maximum discharge flow rate will be.  
Debbie
