ATTN: John M. Archbold
Environmental Division

Dear Mr. Archbold:

This is to confirm that the Town of Lewiston Environmental Commission during the meeting on August 2, 2000 which you attended voted approval of your issuing a Burning Permit for the purpose of proper disposal of about 8 ounces of TNT found at the Lake Ontario Ordinance Site. Procedures outlined by Bill Kowalewski must be closely followed. As Town of Lewiston Councilman and liaison to the Environmental Commission I agree with these decisions.

Sincerely,

Darwin James Langlois
Lewiston Town Councilman
