DAEN-ECE-B

28 January 1987

1. The Findings and Determination of Eligibility (FDE) report for SCA Chemical Services (Lake Ontario Ordnance Works), Lewiston/Porter, New York, Project No. C02NY002500 are approved and attached as enclosure.
2. You are hereby authorized use of FY87 funds to be used to develop and execute the necessary agreements to conduct the required RI/FS so as to be consistent with the investigative efforts of the State of New York and the U.S. Environmental Protection Agency.
3. Request you contact the New York State Department Environmental Conservation (NYSDEC), upon receipt of this directive. The contact at NYSDEC is Mr. Yaruz Erk. The address to reach Mr. Erk is NYSDEC, 600 Delaware Avenue, Buffalo, New York 14202-1073 and can be reached at (716)-847-4585.

4. Accounting and Reporting Instructions: All financial data on Defense Environmental Restoration Program funds managed by Field Operating Activities (FOAs) will be reported on a monthly basis via the Integrated Command Accounting and Reporting (ICAR) System. In addition, you are required to be above to account funds utilization and report by project and activity (i.e., RI/FS, design, construction). A supplement to AR 37-100-87 requiring the above additional reporting requirements is under preparation. Use the following AMS code structure:

788008.21
