Community Input Regarding Technical Facilitation

1. What are your expectations for a technical facilitator’s focus (e.g. Niagara Falls Storage Site Feasibility Study) and role?

   Focus Recommended: (Ear 2011) draft report on the Lewiston Porter School District properties taken by US Army Corps of Engineers -- the findings in ”plain English” for all to read & understand.

2. What qualifications are you looking for in a technical facilitator?

   "Honesty, truth & simplicity when communicating"

3. What are your preferred means/methods of communicating with a technical facilitator (e.g., meetings, e-mail, telephone, conference calls, etc.) and frequency?

   "Public Meeting"

4. What are your expected outcomes for technically-facilitated discussions?

   "Details on Factual, Risks + Potential Health Risks of children + places who commute onto Lewiston Porter property"

Please complete and place this form in the comment box before leaving the workshop. Or, please mail your responses to the address below:

U.S. Army Corps of Engineers
FUSRAP Team
1776 Niagara Street
Buffalo, NY 14207

Or, e-mail your responses to: fusrap@usace.army.mil before December 3, 2010.
