RE: Town of Tonawanda Landfill

[REDACTED]

I have been contacted by the residents of the City of Tonawanda that live adjacent to the Town of Tonawanda Landfill. They are very concerned and anxious about the final plans for closure of the Landfill in question. The best way to alleviate some of the concerns would be to have them represented in the planning process.

This letter is to formally request that they be included in the design process with their input allowed and considered. Since their property values are potentially affected, along with the aesthetics involved, I feel this is a reasonable and fair request. The residents of Hackett drive, especially, have been dealing with this issue for two decades and they deserve to be heard.

I will be happy to discuss this with you should you desire. I look forward to your reply.

Sincerely,

[REDACTED]  
Erie County Legislature

MMI/jah
