

***You are invited to attend . . .***

***the U.S. Department of Energy's  
Remedy Discussion with the  
Tonawanda Community***

**Tuesday, January 31, 1995**

**7:00 to 9:00 p.m.**

**Holmes Elementary School (Cafeteria)**

**365 Dupont Avenue**

**Tonawanda, New York**

The U.S. Department of Energy (DOE) will be holding a working session to continue the remedy selection process for cleaning up contamination at the Tonawanda site. DOE is interested in working jointly with community officials and residents to address this important issue and believes that *together* a solution, acceptable to all, can be reached.

To ensure adequate meeting logistics, please contact Emily Latko, Tonawanda DOE Public Information Center (716) 871-9660 if you plan to attend.
