News from the Corps!

The U.S. Army Corps of Engineers would like to thank everyone who was able to join us last night at the public information session regarding the Tonawanda Landfill Vicinity Property formerly Utilized Sites Remedial Action Program (FUSRAP) site cleanup.

The posters and presentation from last night are now available on our website, under the Public Presentations / Posters / Transcripts section at:

<http://www.lrb.usace.army.mil/Missions/HTRW/FUSRAP/Tonawanda-Landfill/>

Field work is expected to begin at the end of May 2019. Work will take place Monday through Friday from 7:00 a.m. to 4:00 p.m., using excavators, loaders, and trucks. Residents nearby will hear normal construction-type sounds during the cleanup. Protective measures will include air monitoring around the work zone, and dust suppression.

The Corps of Engineers is committed to keeping you informed during the cleanup of Tonawanda Landfill Vicinity Property. For more information about the site, please email fusrap@usace.army.mil, visit: <http://www.lrb.usace.army.mil/Missions/HTRW/FUSRAP/Tonawanda-Landfill/> or call 800-833-6390 (Option 4).

Sincerely,
The Tonawanda Landfill Vicinity Property Site Team
