Congressional Member Interest	Key Stakeholder Interest
Representative Shontel Brown D-OH-11	
Senator Sharrod Brown	
Senator J.D. Vance	

## PROJECT DESCRIPTION AND BACKGROUND:

- Project objectives broadly consist of environmental restoration activities in the vicinity of the terminus of the Cuyahoga River. The project will consist of dredging of material within the old channel, which will remove the contaminated sediment. Once the sediment is removed, it will be dewatered and then transported to an approved upland facility.

## BUDGET INFORMATION:

Authorized Total Project Cost	\$20MIL
Non-Federal Sponsor Cost	NA
Federal Cost	\$20MIL
Federal Funding Received Prior to FY24 President Budget	\$1.8MIL

**As of: 2/22/2023**

U.S. Army Corps of Engineers – Buffalo District  
 1776 Niagara Street, Buffalo, NY 14207
