

Erie Harbor- North Pier Repair

U.S. ARMY CORPS OF ENGINEERS

BUILDING STRONG®

AUTHORIZATION:

- River & Harbor Acts of 1852, 1871, 1881, and 1902
- Operations & Maintenance

PROJECT SPONSOR:

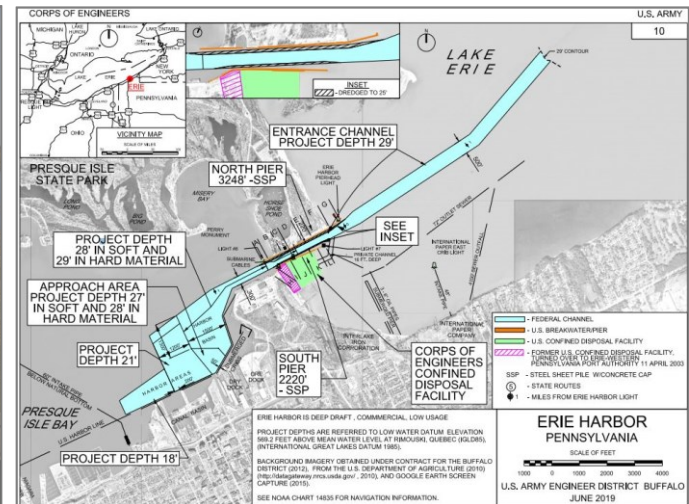

- 100% federal expense; no sponsor.
- Stakeholders are US Coast Guard Erie Station, Port of Erie, Presque Isle State Park, and recreational users (anglers and park visitors).

LOCATION:

Erie North Pier extends from the US Coast Guard Station Erie to the east at the southern boundary of Presque Isle State Park.

Erie North Pier as of October 2022

Erie Harbor, PA

Congressional Member Interest	Key Stakeholder Interest
Representative Mike Kelley- R-PA16	
Senator John Fetterman D PA	
Senator Bob Casey Jr. D PA	

PROJECT DESCRIPTION AND BACKGROUND:

This project is undertaking design for the repair and eventual construction of two primary issues along the North Pier. The first issue involves the collapse of approximately 300 feet of timber crib, where a repair of concrete encasement has been designed. The second issue involves separation of the steel sheet pile from the concrete bulkhead, where repair through installation of new bolts and anchors has been designed.

As of: 03/23/2023

U.S. Army Corps of Engineers – Buffalo District
 1776 Niagara Street, Buffalo, NY 14207
<http://www.lrb.usace.army.mil>

This project will ensure continued safe access to the US Coast Guard and commercial navigation into Erie Harbor.

BUDGET INFORMATION:

Authorized Total Project Cost	
Non-Federal Sponsor Cost	\$0
Federal Cost	\$8,318,294
Federal Funding Received Prior to FY24 President Budget	\$8,318,294
FY24 President Budget	\$0

CURRENT STATUS:

As of January 2023, design for the repair has completed and the project is on hold pending construction funding. Monitoring of the north pier will continue along with stakeholder coordination with the US Coast Guard and Presque Isle State Park. Real Estate Coordination is ongoing to secure the final Right of Entry with Presque Isle State Park.
