FACT SHEET

ROCHESTER HARBOR — WEST PIER

Authorization: River & Harbor Acts of 1829, 1882, 1945, and 1960
Operations & Maintenance

Location

- Located on Lake Ontario in the City of Rochester, Monroe County, NY

Project Description

- The south end of the east pier requires new steel sheet pile walls along with a new concrete cap at a length of about 1,022 feet.

Importance

- The east pier allows for safe navigation between the Genesee River and Lake Ontario.

Consequence

- Negative economic impacts, locally and regionally

	Est. Fed. Cost of Phase	Federal Funding through FY19	FY20 Requirement	FY20 Budget	FY21 Requirement	FY21 Budget
Design & Construction	\$9.2M	\$4.2M	\$5M	\$0	\$5M	TBD

Project Sponsor

- 100% federal expense; no sponsor.
- Stakeholders: Rochester-Monroe County Port Authority, Port of Rochester, U.S. Coast Guard, and Essroc Cement Corporation.

Congressional Interests

- Representative Joe Morelle D-NY-25
- Senator Kirsten Gillibrand D NY
- Senator Charles Schumer D NY

Current Status

- A contract was awarded in SEP 2019 to repair 600 feet of the east pier.
- Construction is scheduled for June to September 2020.

Issues

- Additional funding is needed to repair the full reach.
