## Dredged Material Management Plan

March 2021 Fact Sheet

**Authorization:** River & Harbor Acts of 1905, 1919, 1935, and 1962.

**Type of Project:** Navigation

**Description:** Dredged material management plan is a planning document that identifies the quantity of material to be dredged from federal harbors and how the dredged material can be managed in an environmentally acceptable manner.

**Status:** A Preliminary Assessment, which is the first phase of the DMMP process, was completed in September 2021. The Preliminary Assessment concluded that there was no need to complete a DMMP at this time.

**Budget:** \$175,000

**Schedule:**

Milestone	Scheduled Completion Date
Draft Preliminary Assessment	August 2020
District Quality Control Review	September 2020
Preliminary Assessment Complete	September 2020

**Project Manager:** Ashley Binion-Zuccaro (419-726-9121),
