B. REQUIRED ADDITIONAL COMMENTS TO SUPPORT JD. EXPLAIN RATIONALE FOR DETERMINATION THAT THE REVIEW AREA ONLY INCLUDES DRY LAND: An administrative records review indicates that a jurisdictional determination was made for federally jurisdictional wetlands for a residential development action (Valore Builders, Inc., DA No. 2007-01217). The subject 0.3-acre parcel is located on a lot adjacent to and not included in the Valore Builders permit area. Additionally, the wetlands identified by the City Engineer are NWI mapped wetlands that are adjacent to (south of) the subject parcel. No Corps JD was issued for those potential waters. Lastly, a review of

site photos provided by the applicant clearly demonstrates that the fence posts will be constructed in upland areas. As such, the work will not require authorization from the Corps.
